

SHAIK SHAFI

Versatile B.Tech ICT student skilled in Flutter, HTML, and CSS, with hands-on experience developing a quiz app, event management system, and e-commerce platform. Passionate about building robust, user-centric web and mobile applications

Project Experience

Quiz App

Developed a cross-platform quiz app using Flutter and Dart. Features include difficulty levels, admin panel for questions, scoring system, and a leader board to track top performers.

Advanced Event Management & Ticketing System

Built a full-stack web platform using HTML, CSS, JS, PHP, and MySQL for managing event creation, client/user registration, dynamic seat booking, and QR-code ticket generation. Implemented multi-role access control and secure document verification workflows.

OpenMarket – C2C Marketplace Web Application

Technologies: React.js, Node.js, Express.js, MySQL
Developed a full-stack Customer-to-Customer (C2C) marketplace platform where users can buy and sell products online. Implemented features such as user authentication, product listing management, real-time chat system, admin moderation panel, and responsive UI design. Worked on frontend development using React.js and backend API integration with Node.js and Express.js while managing data storage with MySQL.

ShopNow – AI Powered Virtual Fashion E-Commerce Platform

Technologies: React.js, Node.js, Express.js, MongoDB, Hugging Face API, Razorpay

Built a modern AI-powered fashion shopping platform with Virtual Try-On functionality using IDM-VTON and Hugging Face API integration. Developed responsive frontend, secure backend APIs, online payment system, and intelligent clothing visualization features to enhance customer shopping experience.

Education

Marwadi University, Gujarat

B.Tech in Information & Communication Technology (ICT)

Chaitanya Bharathi Institute of Technology (CBIT), Proddatur

Diploma in Electronics & Communication Engineering (ECE)

Vasavi EM High School, Mydukur, Y.S.R District

SSC (10th Class)

Technical Skills

Languages & Frameworks:

Flutter, Dart
React.js, Node.js, Express.js
PHP, JavaScript, C, Python

Databases:

MySQL, MongoDB

Other Tools & Technologies:

HTML, CSS
Hugging Face API, Razorpay

Soft Skills

Problem Solving, Teamwork & Collaboration, Effective Communication, Adaptability & Flexibility, Time Management & Organization, Attention to Detail

Languages

Proficient in English, Hindi & Telugu
